

Unit4 Business World UK User Group Application Form 2019

The User Group membership year runs from 1st January – 31st December 2019

The Unit4 Business World UK User Group is run by the users through an elected council with the support of UNIT4 Business Software. Workshops are run throughout the year covering different areas of the Unit4 Business World product and typically consists of case study presentations from users, along with product demonstrations and hints and tips.

The Membership fee for 2019 is £500.00 excluding VAT. Membership of the User Group entitles any two delegates from your organisation to attend any of our BWUKUG events (more places can be available if space permits, although an additional fee of £100.00 plus VAT will be incurred). Multiple user access is given to our User Group Forum and Website. Further information on the User Group is available on our web site www.u4bwug.co.uk.

Please note membership must be renewed annually – this is not an automatic process

Primary & Additional User Group Contacts for your Company

These people will be the nominated main points of contact for your organisation. They will be sent User Group information to pass on

to other interested parties within your organisation. Once members, your organisation is allowed access to the User Group Forum and Website for an unlimited number of users. The Forum allows users to interact with other Business World Users – this is also where all User Group event details will be advertised.
